Mini Tennis Orange is a great way for players to continue their progress from Mini Tennis Red and is for players aged **9 and under**. It is played with shorter rackets, softer balls and the courts are bigger and wider (18m x 6.5m) than the red stage, but still smaller than full-size tennis courts. This allows players to develop a rounded game whilst learning a range of techniques and tactics. Orange players use rackets ranging from 23 to 26-inches (dependent on the height of the child, advice is available).
