Hi5 sessions are for children aged **3 to 5 years old**, and enable them to learn the basics required to enjoy tennis. Sessions incorporate a series of fun activities, based on the fundamental areas of balance, co-ordination, agility, movement with racket and ball skills.

Hi5 groups play with sponge balls and 17 or 19-inch rackets, and the focus is about making it as much fun as possible. **Course requires parental participation.**

Mini Tennis Red is for players aged **8 and under**. It is played on badminton sized courts (11m x 5.5m) with short rackets and soft balls. It's just like the real game and gives players opportunities to have long rallies and play different types of shots. Red players typically use 21 or 23-inch rackets (dependent on the height of the child, advice is available).
